TOPIC: National Core Indicators (NCI) Staff Stability Survey

The Division of Developmental Disabilities (DDD) would like to remind Qualified Vendors who have **Direct Support Professionals** to please consider participating in the **National Core Indicators (NCI) Staff Stability Survey**. Your participation will help the Division make sound policy decisions regarding provider contracts, rates, etc.

Your agency should have received an email inviting you to participate in the Staff Stability Survey. This email also contained a unique link to the survey tool and instructions on how to complete the survey in the online data entry system, ODESA. The survey should be completed by your Human Resources or Payroll offices. Please check your "spam" folder for an email from snoves@hsri.org, as this is the address the invitation came from.

This survey is relatively short, easy to complete and anonymous. Your agency's answers will not be identified in any way and all results will be reported in the aggregate.

NCI still has 2 webinars available; please use this link to connect to either session:

<https://nasdds.adobeconnect.com/r2a9zywchnu/>

April 30th at 3:00pm EST

May 11th at 3:00pm EST

If you are unable to participate in one of these 'live' webinars, you may use the following link to hear a previously recorded session: <https://nasdds.adobeconnect.com/p7cu3gzwmn5/>

For questions, please contact Pat Volle at jpvolle@azdes.gov
