The Honorable Andy Tobin
Speaker of the House of Representatives
Arizona State House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Dear Speaker Tobin:

Pursuant to Laws 2013, 1st Special Session, Chapter 1, Section 27, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2014 through February:

A monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals shall be forwarded to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee by the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other funds, such as the statewide assessment for indirect costs, and any projected surplus in state supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

While state revenues continued to grow throughout fiscal year 2013 and that growth is expected to continue during the current fiscal year, the Department recognizes the importance of maintaining its focus on fiscal stewardship over the public resources used to provide Department services. The Department continues to work diligently to contain expenditures and identify and implement efficiencies. As they unfold, the provisions of the Affordable Care Act will require substantial changes to the business of state government in the coming years, and the Department is playing a role in helping to understand those impacts.

The Department appreciates the important work of the Governor's office and the Legislature in assisting with the growing number of Arizonans in need of the Department's programs. The fiscal year 2014 budget added funding for 200 additional CPS staff, which has enabled the Department to continue its hiring effort and manage the rapid caseload growth. These caseworkers are projected to help exit 1,300 children from the CPS system over the course of fiscal year 2014.

Even with additional funding to help address the increased workload in CPS, budget issues linger. Fiscal year 2013 reports received increased by 8.8 percent compared to fiscal year 2012. As a result, the number of children placed in out-of-home care has increased and driven up the costs of placements with it. As the number of children in out-of-home placements rises, there are more children and families requiring services to help them toward reunification. The Department expects reports to the CPS hotline to grow by about one percent in fiscal year 2014.

To resolve shortfalls in prior years, the Department has used available funding from the Social Services Block Grant that was rolled forward from prior years' grants. The Department has exhausted one-time funds even as shortfalls are projected in some special line items. As growth trends have become more apparent, the Department is requesting a supplemental General Fund appropriation totaling \$5.4 million in Children Support Services and \$4.2 million in Emergency and Residential Placement. The Department appreciates the recently approved \$5.7 million supplemental for additional caseworkers to begin implementation of the 2013 caseload standards. The total fiscal year 2014 supplemental of \$15.3 million General Fund will help the new Division of Child Safety and Family Services handle the cumulative effect of sustained growth in recent years.

The Department has pursued many strategies to help cope with the rising number of reports of abuse and neglect, including the creation of the Office of Child Welfare Investigations (OCWI). Since its creation in Laws 2012, Chapter 319, OCWI has been actively hiring, training, and onboarding investigators, managers and data analysts. Establishing this new office required the creation of an intensive, focused training for highly specialized investigators. OCWI works closely with both CPS and local law enforcement officials to coordinate rigorous investigations of cases involving potential criminal conduct. OCWI developed a new checklist for the CPS Hotline to identify and flag potential cases involving criminal conduct and requiring an investigator's review. The office has been pivotal in aiding CPS's response to the dramatic increase in reports of abused or neglected children in Arizona.

The Department has been operating under federal budget cuts which began on March 1, 2013. These sequestration-related cuts reduced funding in grants for Departmental populations such as the elderly, the unemployed, and children in child welfare. On January 17, 2014 the federal government passed a budget for federal fiscal year 2014 that runs through September 30, 2014 and alleviates some of the reductions under the Budget Control Act.

The detailed comparison of total expenditures for the month and year-to-date as compared to prior year totals is attached. If you have any questions, please contact Debra Peterson, Chief Financial Officer, at (602) 542-3786.

Sincerely,

Clarence H. Carter
Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in CYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Enforcement was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the ERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the ACS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.

Arizona Health Care Cost Containment System (AHCCCS):

Through an intergovernmental agreement with Arizona Health Care Cost Containment System (AHCCCS), the Department of Economic Security performs eligibility determinations for the AHCCCS Acute Care Program, disability entitlement for the Arizona Long-Term Care System and the Federal Emergency Services program, and screens all individuals with developmental disabilities before they enter the Long-Term Care program to determine the appropriate level and types of specialized services needed. The Department also determines AHCCCS eligibility in the federal SOBRA program for pregnant women and children and other Medical Assistance Only (MAO) programs.
