DES Names Vicki Mayo Deputy Assistant Director of Employment and Rehabilitation Services

PHOENIX – DES Director Timothy Jeffries today named Ms. Vicki Mayo Deputy Assistant Director of the Division of Employment and Rehabilitation Services.

“I am pleased and delighted to welcome Vicki to our DES family,” said Director Timothy Jeffries. “Her character and experience will serve the Department well. Her expertise will work especially well within the Child Care Administration where we work to assist those most in need of child care for their loved ones. This Administration is vital for those needing to obtain, retain and excel in their employment in order to provide for their families.”

“Vicki’s assistance at DCS has helped the agency get off to a strong start,” said Daniel Scarpinato, Deputy Chief of Staff for Communications for Governor Doug Ducey. “We are pleased that she will be bringing her passion for children and families to a critical division at DES.”

Ms. Mayo will assist in the oversight of four programs within the Division, including: Child Care, Rehabilitation Services, Employment Services and Unemployment Insurance. She will be responsible for state and federal policy development and implementation, fiscal decision-making, staffing and resource alignment and coordination with internal and external partners. In addition, she will conduct business and employer outreach and provide guidance and expertise to the Assistant Director. The Deputy will assist in the oversight of approximately 1,300 state staff.

“Vicki Mayo is well-known for her dedication to children’s issues, and in her time here, served DCS tirelessly,” said DCS Communications Director Doug Nick. “She will undoubtedly bring that same dedication to her role at DES, and Director McKay wishes her every success.”
