The Honorable David Gowan

Arizona State Senate

Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2018, 2nd Regular Session, Chapter 276, Section 29, the Arizona Department of Economic Security (ADES) submits its Monthly Financial Status Report for fiscal year 2019 through February:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

ADES recognizes the importance of maintaining its focus on fiscal stewardship over public resources used to provide services. ADES is successfully using the Arizona Management System to identify and implement process optimization initiatives to maximize resources.

Proposition 206, or the Fair Wages and Healthy Families Act, continues to have impacts to the developmental disabilities provider community. In response, the fiscal year 2019 budget provides a permanent General Fund (GF) appropriation increase of \$3.9 million and one-time funding of \$11 million from the GF to help address minimum wage. ADES will continue to coordinate with the Governor, the Legislature, the Arizona Health Care Cost Containment System (AHCCCS) and stakeholders to address the ongoing needs of the developmental disabilities community.

The fiscal year 2019 budget also includes funding for 4.5 percent Arizona Long Term Care System (ALTCS) member growth in the Developmental Disabilities (DD) programs as well as increases to the per member per month (PMPM) cost for DD services in line with historical trends. The ALTCS anticipates member growth of 5.4 percent by the end of this fiscal year.

Because fiscal year 2019 caseload growth has exceeded projected levels, ADES is experiencing a shortfall in the below Special Line Items. The fiscal year 2020 Executive Budget Recommendation includes supplemental funding for these items as outlined in the attached report and table below:

Special Line Item	General Fund Shortfall \$(000)s
Children's Rehabilitative Services	\$(2,112.6)
Case Management State-Only	\$(1,600.0)
Targeted Case Management	\$(950.0)
Total	\$(4,662.6)

ADES works with AHCCCS in the development of capitation rates for services and communicates changes in trends. Current trends necessitated a review of capitation rates and subsequent adjustment. JLBC reviewed a proposed net increase in DD capitation rates during the April JLBC meeting. The newly enacted rates will allow the ADES and AHCCCS to continue serving the DD community in a timely and effective manner. However, the increased rates were not accounted for in the FY19 enacted budget. The attached report and table below reflect the current GF shortfall resulting from the adjustment to rates:

Special Line Item	General Fund Shortfall \$(000)s
Home and Community Based Services	\$(7,100.0)
Total	\$(7,100.0)

ADES will continue to update the Legislature, the Governor's Office, and the budget offices as information about future funding needs become clear.

The fiscal year 2019 budget also includes one-time funding of \$1.2 million to the Area Agencies on Aging (AAAs) to provide non-medical home and community-based services for older individuals, including adult day care, congregate and home-delivered meals, respite care, and other services to promote independent living. These services help to prevent higher costs associated with increased Adult Protective Services (APS) interventions and the need for Medicaid-funded nursing homes. ADES has worked to identify a permanent solution. The identified federal resources will be utilized to address the needs of individuals who are currently not receiving services.

The number of new APS reports in fiscal year 2019 has increased ten percent over the prior fiscal year, necessitating additional resources to ensure the health and safety of Arizona's vulnerable adult population. ADES continues to partner with the Arizona Department of Public Safety (ADPS) to utilize the Federal Victim of Crimes Act (VOCA) funding to address this growth. Through the implementation of process improvement strategies associated with performance and the APS investigation process, the number of open APS cases has declined to historic lows.

The ADES Division of Technology Services maintains a complex information technology infrastructure containing a wide array of sensitive and confidential information. Per state and federal law, ADES is obligated to protect this information for the safety of Arizona's residents. ADES is in the process of migrating its mainframe-based systems to a cloud hosted environment. The migration will mitigate vulnerabilities posed by internal and external threats and address the need for information and data tracking to permit faster incident response to security events.

The Honorable Regina E. Cobb
The Honorable David Gowan

ADES has seen a continued increase of Child Care and Development Block Grant (CCDBG) funding. A historic increase for the state of Arizona provided an additional \$56 million of CCDBG funding in federal fiscal year 2018 and continued in 2019. With an increase in appropriation authority, ADES will have the opportunity to bring child care provider rates into compliance with a US Department of Health and Human Services Corrective Action Plan issued to ADES, as well as bring services to thousands of children who have qualified, but do not currently receive services. ADES will continue to monitor federal legislation to analyze any potential impacts on services and fund sources.

ADES appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of ADES' programs. The fiscal year 2020 Executive Recommendation addresses DD member growth, and the impacts of Proposition 206, while maintaining the necessary level of funding for all ADES services to continue functioning efficiently and responsibly. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

The report provides a detailed comparison of total expenditures for the month of February and year-to-date as compared to prior year totals.

If you have any questions, please contact Kathy Ber, Director of Legislative Services, at (602) 542-4669.

Sincerely,

Michael Trailor
Director

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DEERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
