SFY-15-1A

# Older Americans Act Title III and VII for SFY-2015

### Family Caregiver Support Program Allocation

On August 30, 2013, Area Agencies on Aging (AAAs) were reallocated a portion of the SFY-12 III-E carryover in ALERT SFY-14-1B to support the new Respite Voucher Program that is under development. In that ALERT, a new DAARS coding process was offered in anticipation of the new data system being up and running, which it was not. Because there was no AIMS service code offered in ALERT SFY-14-1B, there was some confusion as to how to budget the Title III-E carryover funds that were reallocated. To address that confusion, a new Aging Information Management System (AIMS) service code (RSV) was established to allow AAAs to add the funds to their budgets to support the Respite Voucher Program as intended. Five AAAs have already moved all or part of their allocations from ALERT SFY-14-1B to the RSV service code and the other three AAAs are in the process of doing so.

The purpose of this new ALERT is to extend the approved period of time to use these funds and to also broaden the use of the funds to some extent. The allocations from ALERT SFY-14-1B may now be used for expenditures through September 30, 2014. AAAs should plan on carrying at least a portion of their RSV funding into SFY-15 to cover anticipated expenses related to the Respite Voucher Program. Additionally, after reviewing anticipated respite voucher authorizations, AAAs will be able to move a portion of their RSV funding to one of the following AIMS service codes:

Case Management – CM5	Respite – RSP
Caregiver Training – CT5	Peer Counseling – PC5
Community Education and Information – EI5	Outreach – IR5

The Respite Voucher Program began accepting applications through the Caregiver Resource Line (CRL) in February 2014 and CRL staff is currently in the process of approving and authorizing respite vouchers for use through June 30, 2014. In June the CRL will be accepting applications for vouchers that can be used from July 1, 2014 through September 30, 2014. Starting in May, the CRL will send a monthly report to each AAA indicating how many vouchers were approved and authorized the previous month. More information about the voucher program is available in Technical Assistance ALERT SFY-14-12D.

Should you have questions regarding the allocations, please contact your assigned Contract Specialist.

## Senior Community Service Employment Program for SFY-2015

This ALERT applies to Area Agency on Aging, Region One Inc., Pima County One-Stop Career Center, Northern Arizona Council of Governments (NACOG), Pinal/Gila Council for Senior Citizens, and Achieve Human Services.

This ALERT is being provided to non-participating regions as information only.

Nationally, the Senior Community Service Employment Program (SCSEP) experienced a net increase of 1.8 percent to grant funding. This resulted in a net increase of \$19,855 to the state grant for Program Year (PY) 2014/State Fiscal Year (SFY) 2015 (PY14/SFY15) which runs from July 1, 2014 through June 30, 2015. As a result of the net increase in funding, the total number of training positions was increased from 116 training slots/positions to 118. Training positions are allocated based on the Equitable Distribution of authorized positions provided by the U.S. Department of Labor (USDOL).

Per the Division of Aging and Adult Services (DAAS) policy, recruitment efforts are to be in accordance with the annual Equitable Distribution Report which provides for the distribution of the authorized positions within the State and the optimum number of participant positions in each designated area based on the latest available Census data. The Equitable Distribution Report will be adjusted at least annually based on a formula defined by the U.S. Department of Labor.

Attachment A provides the allocations that identify the contract levels for each respective Planning and Service Area for PY14/SFY15. PY14/SFY15 Performance Goals have not yet been determined and will be forwarded to sub-grantees once they are finalized. As of this ALERT, there are no plans from the U.S. Department of Labor to allow for carryover of PY13/SFY14 SCSEP funds into PY14/SFY15. All PY13/SFY14 funds must be expended by June 30, 2014.

The ultimate program goal is for all sub-grantees to meet their authorized slot allocation, performance and expenditure goals based on available funding. It is incumbent upon all sub-grantees to implement appropriate strategies throughout the program year to ensure these goals are met.

Funding is allocated to sub-grantees for the following categories along with their associated billing code: Enrollee Wages and Fringe Benefits (EWF); Other Participant Costs (OPC) for supportive service and training activities, and Administration (TVA). Per Title V of the Older Americans Act, not less than 75 percent of a grant award can be used for EWF. Administrative costs may not exceed 13.5 percent of a total grant award received from the USDOL.

It is recognized that SCSEP is not a fully funded program. Increases in minimum wage and the realization that not all slots are filled 100 percent of the time throughout the program year, impact fund expenditures. Although it is the goal of each sub-grantee to fill all training positions, the number of filled positions may vary throughout the program year.

Regular monitoring requires collaboration between the programmatic and fiscal operations of each subgrantee to maintain the balance between filling positions and the funds to support them. The DAAS relies on each sub-grantee to expend funds without over or under expending its contracted levels.

**Note**: Effective July 1, 2014, Achieve Human Services will be the permanent SCSEP sub-grantee for Mohave County.

### Policy and Procedures for SFY-2015

This ALERT applies to the following sub-grantees of the Senior Community Service Employment Program (SCSEP): Area Agency on Aging, Region One Inc., Pima County One-Stop Career Center, Northern Arizona Council of Governments, and Pinal/Gila Council for Senior Citizens.

This ALERT is being provided to non-participating regions as information only.

Policy and Procedure ALERTS are intended to notify Area Agencies on Aging (AAAs) and other contract partners of newly developed or revised Division of Aging and Adult Services (DAAS) Policies and Procedures.

Revisions in bold text below have been made to Chapter 4000 Section 4100 (Senior Community Service Employment Program – Participant Services) and are included in this ALERT. **Please ensure appropriate SCSEP personnel are aware of these revisions.** 

#### **Summary of Revisions**

Previous language from section 4114.2.B and 4114.3.B.1-4, related to modular training requirements for participants designated Program Representatives, has been removed to better align the goals of the program. That language has been replaced with new language that reduces the allowable training time for a Program Representative from 48 months to 24 months. Additionally, language has been added that provides guidance related to minimum wage increases.

#### Section 4114 - Operational Procedures for Wage and Fringe Benefits

Section 4114.1.B.2 - Effective July 1, 2014, participants designated Program Representatives are eligible to receive initial training wage of \$10 per hour. Program Representatives shall remain in their position for a period not to exceed 24 months.

Section 4114.1.B.3 - Increases in the training wage for Program Representatives shall occur on an annual basis in accordance with annual minimum wage increases determined by the Wage and Hour Division of the United States Department of Labor.

Section 4114.1.B.4 - It will be the responsibility of each sub-grantee to ensure their respective program budgets allow for the training wage increase. Sub-grantees will also ensure that the increase will not affect their ability to provide equitable service delivery to all SCSEP participants, and over expenditures of program funds do not occur.

Additionally, language was added to section 4120 that clarifies the requirements for recording case notes.

#### Section 4120 - Operational Procedures for SCSEP Participant File Maintenance

Section 4120.3.B - Case notes must be understandable and legible. At a minimum, case notes must be updated every 30 calendar days or as needed. Each case note entry must contain the following elements:

SFY-15-10

# Policy and Procedures for SFY-2015

- 1. The date of entry of the case note
- 2. The name or initials of the staff person making the case note entry
- 3. Reference to corresponding/supporting documentation that may be found elsewhere a part of the participant file

### Policy and Procedures for SFY-2015

Policy and Procedures ALERTS are intended to notify Area Agencies on Aging (AAAs) and other contract partners of newly developed or revised Division of Aging and Adult Services (DAAS) Policies and Procedures. Periodically, policy is developed due to changes in federal program policy as well as to respond to requests for clarification of existing policy by contracted providers. **Please ensure that the appropriate AAA personnel is aware of these revisions.** 

#### **Background**

The purpose of this ALERT is to update the DAAS Policy and Procedures Manual related to the authority to transfer funds between Title III-B, Title III-C1, and Title III-C2. Based on regulations included in U.S. Code Title 42, Chapter 35, Subchapter III, Part A, § 3028, the State has the authority to transfer up to 40 percent of appropriated funding between Title III-C1 and Title III-C2, and up to 30 percent of appropriated funds between Titles III-C1/C2 and Title III-B. In an effort to maximize the potential impact of these transfer authorities, the Division of Aging and Adult Services (DAAS) is implementing a process to allow AAAs to project their annual anticipated use of the transfer authority related to funding allocated to them from Titles III-C1, III-C2, and III-B. Projections of transfers on a regional basis will allow the State to comply with transfer authority regulations statewide, while preserving the ability of individual regions to exceed transfer authority limits when circumstances in their region warrant.

Proposed new language (highlighted in yellow) has been added to DAAS Policy and Procedures Manual Chapter 1500, which is attached as Attachment A.

### <u>Implementation</u>

A new Transfer Authority Projection Form (Exhibit 1500C) has been developed that will require AAAs to project their anticipated use of the transfer authority in the upcoming State Fiscal Year (SFY). The submitted projections will be used to develop a "transfer ceiling" for each region for that SFY, allowing the State to limit the overall transfers initiated statewide, in compliance with federal regulations. This process could allow a region to request and receive authority to exceed the standard transfer limits for that fiscal year, providing the following conditions exist:

- 1) The AAA presents justification for the additional transfer. The justification shall include a detailed description of the following: (i) the purposes of the transfer; (ii) the need for the transfer; and, (iii) the impact on the delivery of services in the program from which the transfer is requested.
- 2) DAAS determines that it still will be able to comply statewide with the federal expenditure mandates.

The new Transfer Authority Projection Form is included as Exhibit 1500C to this Policy and Procedure ALERT. Each year, as part of the ALERT that provides AAAs their initial allocations for the upcoming fiscal year, each AAA will be asked to submit the Transfer Authority Projection Form with their initial Contract Operating Budget, indicating their transfer projections for that fiscal year. After reviewing the projections, DAAS will issue a guidance indicating the maximum amounts that can be transferred by each region for each category of transfers.

To facilitate this initiation of this new process for SFY-15, each AAA is being asked to submit a completed version of the Transfer Authority Projection Form (Exhibit 1500C) by June 13, 2014.
